

SPORT RESIN REMOVER PRODUCT INFORMATION

GENERAL DESCRIPTION

- Water-based degreaser designed to effectively dissolve resin residues.
- For use on lacquered wooden floors and vinyl floors in sports halls.
- Fast working and powerful.
- For use in a scrubber-dryer machine or clean manually for best results.
- Can be spot applied if required.
- Detailed guideline for cleaning with a scrubber-dryer machine, see our cleaning and maintenance guide for hardwood sports floors, G 8.0.

For professional use.

PRODUCT DESCRIPTION

Product: Alkaline, water-based concentrate.

Package sizes: 5 litres.

Ingredients:

Water, CAS No. 7732-18-5 (AQUA)
Sodium hydroxide, CAS No. 1310-73-2 (SODIUM HYDROXIDE)
Potassium hydroxide, CAS No. 1310-58-3 (POTASSIUM HYDROXIDE)
Disodium metasilicate, CAS No. 6834-92-0 (SODIUM METASILICATE)
Alanine, N,N-bis(carboxymethyl)-, trisodium salt, CAS No. 164462-16-2 (TRISODIUM DICARBOXYMETHYL ALANINATE)
D-Glucopyranose, oligomeric, C10-16 (even numbered) alkyl glycosides, CAS No. 110615-47-9 (LAURYL GLUCOSIDE)
D-Glucopyranose, oligomers, decyl octyl glycosides, CAS No. 68515-73-1 (DECYL GLUCOSIDE)

TECHNICAL DATA

Mixture proportion: 1 part to 10 parts of water.

Coverage: 25-30 m² per litre of diluted product.

pH: Concentrated 14. Diluted 13.

Before use: Shake well.

Application tools: Cloth, atomizer, floor washing machine.

Storage: 2 year if unopened and stored at 20 °C. Not to be exposed to temperatures below 0 °C.

DIRECTIONS FOR USE

Floor washing machine:

- Add resin remover to the water tank, diluted according to recommendation.
- Do not use the product in direct sunlight.
- Two lanes of cleaning water should be spread in the longitudinal direction of the floor boards.
- Vacuum up immediately afterwards, or after being left to work for a maximum of 3 minutes.
- Always use as little water as possible to avoid damage to the floor. Accidental spillage must be wiped off immediately.
- If the resin has not been removed during the first pass, repeat the cleaning procedure.
- Afterwards clean the floor with Junckers Sport Cleaner.

Hard to remove resin:

- Lumps of resin can be left to soak in concentrated Sport Resin Remover for a maximum of 10 minutes.
- If needed, use a spray bottle to apply the liquid to the marks.

PRECAUTIONARY MEASURES

Before using the product, read the label on the container carefully and observe the recommended precautionary measures. See Safety Data Sheet for detailed information.
